ROBERT E. LEE HIGH SCHOOL

Staunton, Virginia

Foreword...

All this year the workmen have been busy on the building program for a larger Lee High School. Their progress has been by single steps; but, when they are through, each of these actions will have contributed to the finished product.

We, the students have also been building, laying the groundwork for our education and our lives. We, too, have made our progress by single steps.

In this annual we hope that we have recaptured for you some of those steps, your classes, your relationships with teachers, your fun and activities, and that you will look back in future years and see them cemented into a clear and finished picture of this year at Lee High.

Library Staff

Most of us at school are too busy groaning about the books we have to take out of the library, to realize that we are causing others a good deal of work as well. A lot goes on behind the scenes in our library, and there is very efficient staff to do it, headed, of course, by Miss Crawford.

During any period you can see the girls stamping cards, shelving books, alphabetizing cards, and doing all of the other chores which compose library work.

Although the staff does not function as a club, it does have officers. They are: Margaret Gardner, president; Alma Young, vice-president; Pat Crawford, secretary; Bettie Crickenberger, treasurer.

CLASSES

Language Arts

This picture was taken in Miss Whitelaw's senior English class, where the students study English literature from its beginning to present times.

Mathematics

In this picture, which was taken in Miss Stoddard's trigonometry class, the students are demonstrating how, more than 2500 years ago, Thales showed that similar triangles could be used to calculate the heights of the pyramids in Egypt.

Lee High also offers algebra, plane and solid geometry as well as commercial mathematics.

Social Studies

At Lee High, two years of civics are required of every student. This picture was taken in Mr. May's senior class, where the students learn the fundamentals of government.

Science

Mr. House's physics class, where this picture was taken, is very popular with its students. In addition to physics, Lee High offers general science, biology and chemistry.

Portrait

Fine Arts

In Miss McCracken's class we see the students learning the fundamentals of drawing and use of color as well as other useful handicrafts.

Home Economics

Miss Foster's classes are very popular with the girls who wish to become good homemakers. Here the girls study cooking, sewing, nutrition, and interior decorating.

Industrial Arts

In Mr. Wenner's class the boys learn about all types of work and materials, and how to use these materials to make useful articles.

Health

There is an excellent health program at Lee High for all students whether they take gym or not. A careful record of heights and weights are kept, and Mrs. Dey checks teeth and throats twice a year.

Music

The band, under the direction of Mr. Sanger, is very popular with its members as well as with students and patrons. Here the students have an opportunity not only to learn to play musical instruments, but also to take part in many school and community activities.

Foreign Languages

In Mr. Snyder's Spanish class the students learn Spanish history and culture as well as grammar. Latin is also offered at Lee High.

Commercial Courses

In Mrs. Garber's typing and shorthand classes, many students receive excellent preparation for business or secretarial work. This picture was taken in the advanced typing class.

Physical Education

Lee High has an excellent physical education program, which is directed by Coach Brown and Miss Walker. In these classes the students learn to appreciate and to participate in team sports. This picture was taken in Miss Walker's gym class.

Distributive Education

In Mr. Simmons's D. E. Class, the students learn selling and display and put their knowledge into practice in after school jobs. Consumer Education is also offered.

Diversified Occupations

Mr. Simmons is also teaching a new course known as D. O.—diversified occupations. In this class the students are guided in their study of their own chosen occupation. They gain added knowledge through after school work in their chosen field.

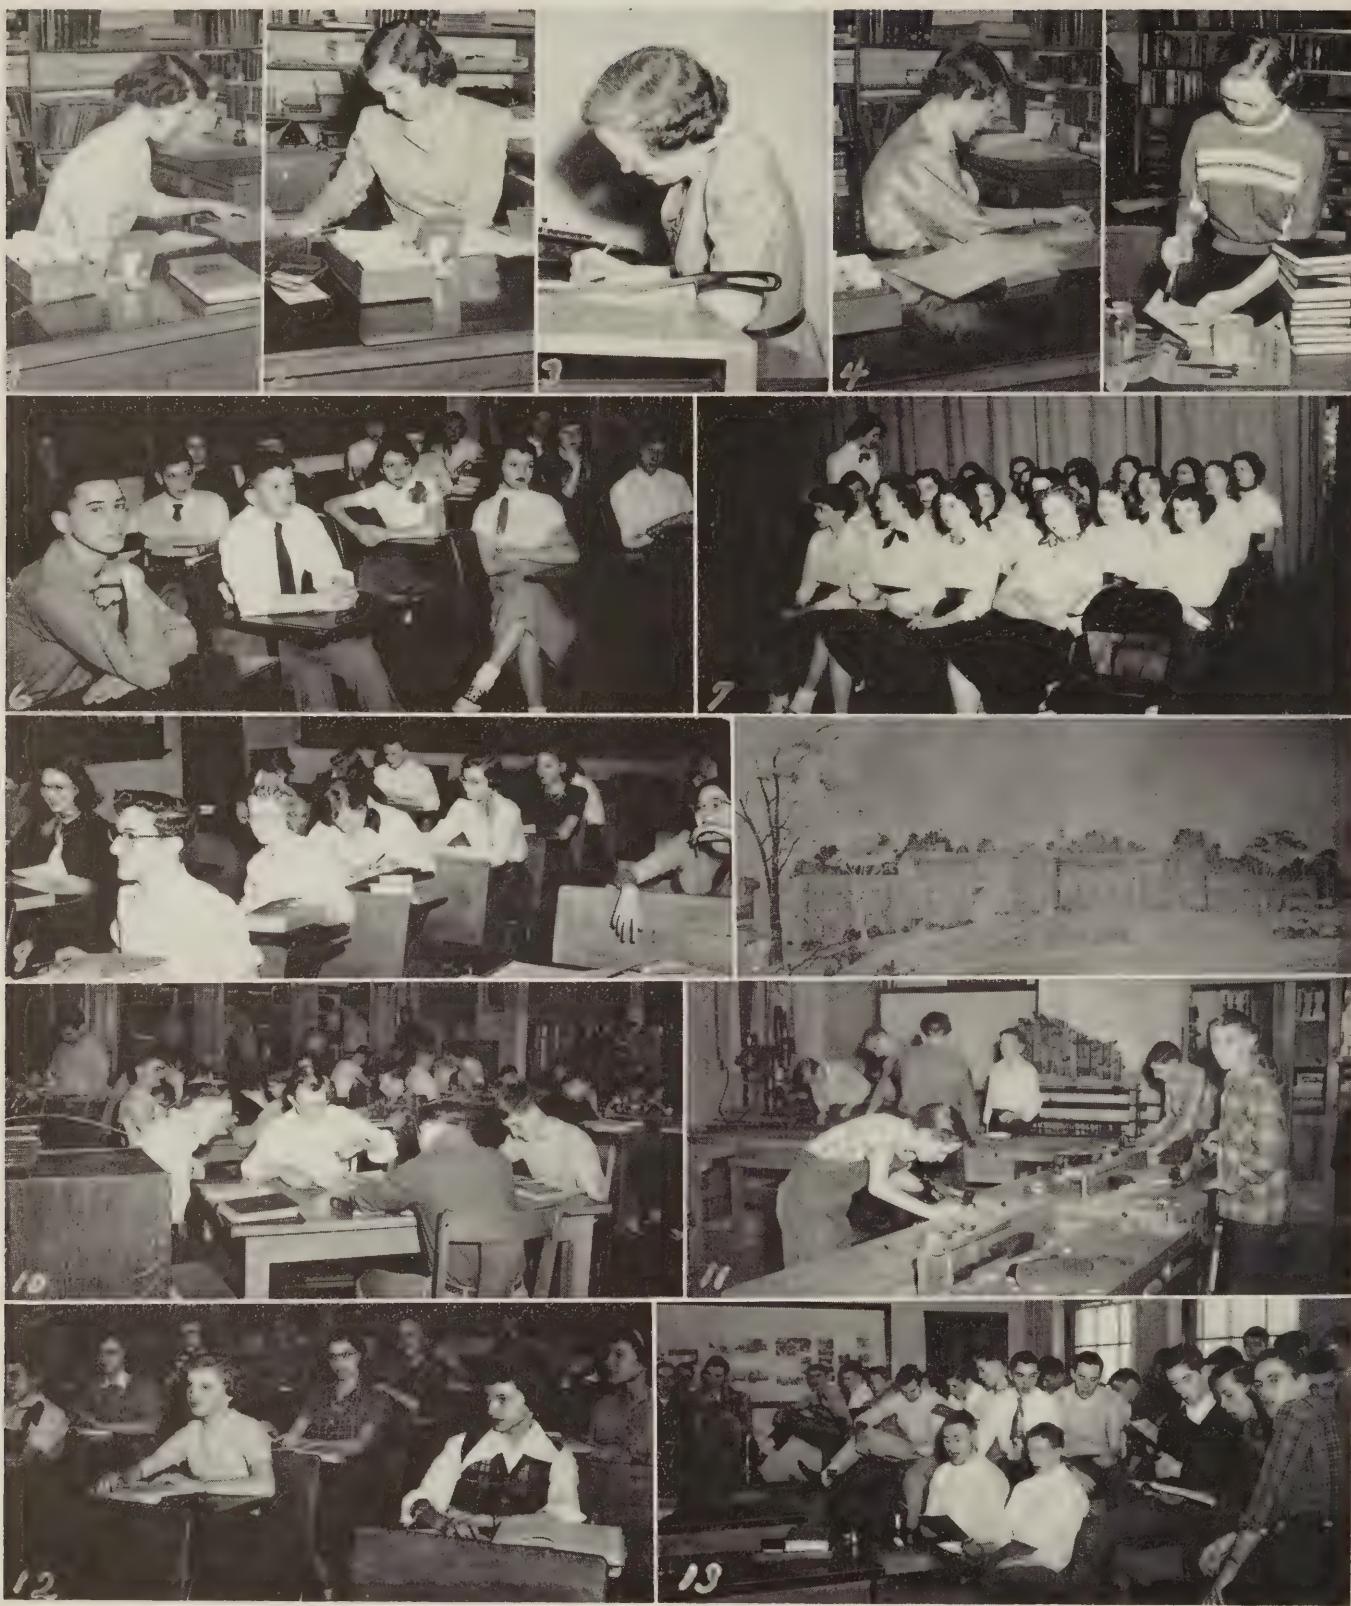

Guidance

For students who need help Mr. Hamilton is always ready to give advice whether it is about a class, what college to attend, or what job to enter.

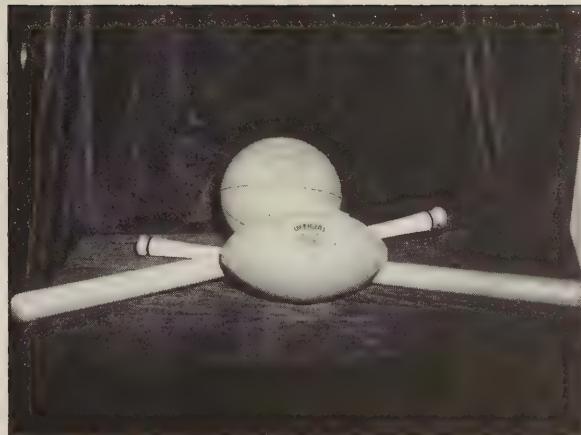

Library

In the library Miss Crawford is always on hand to help students in the selection of books or in search for a topic in the reference books. The library has a fine store of fiction, biography, history, and reference books.

1. Gloria Hulvey. 2. Joan Bridges. 3. Miss Crawford. 4. Shirley Curry. 5. Nancy Whitten. 6. Student Council. 7. Alpha Tri Hi-Y Girls in Assembly. 8. Junior English. 9. Architect's drawing of the new Lee High. 10. At work in the library. 11. Industrial Arts. 12. Freshman English. 13. Boys' Chorus.

RAPLH SPITZER—Ralph made himself known by his aggressive play at his tackle post. A hard charger and jolting tackler, Ralph returns next year.

BOBBY ARMENTROUT—One of the biggest boys on the team, Bobby used his weight to good advantages in the line. He is a senior.

BILL CONNER—Bill was one of the teams captains, and proved himself worthy of that honor by his consistently good and often outstanding play at offensive end. Playing his last year, he was a sure-blocker and sure-handed receiver.

JOE WELLS—Joe won a starting berth by his outstanding defensive play in the early games. A senior, he was a never-say-die tackler at end.

LLOYD THACKER—Lloyd spent most of his time on the ground this past season but usually took several opponents with him. Playing guard, he was in almost every play, and should be outstanding next year.

ROGER JERRY—Roger proved valuable not only for his fine play at center but for his fighting spirit which kept the team hustling, no matter what the score. Roger played his third and final year of varsity ball.

FORREST SHEFFER—Playing his first year on the varsity, Forrest won a spot at defensive end. Coming up with many good plays, he rarely missed a tackle. Forrest returns next year.

PAUL BROWN—Paul saw lots of service at guard because of his hustle and willingness to come back for more when the going got rough. Paul will be back next season.

EVARTS OPIE—Playing his first year for Lee, Evarts showed considerable improvement as the season progressed. He played both offensive and defensive tackle. Evarts is a senior and won't return.

JAMES LINNANE—Jimmy was a faithful worker on the squad. He saw considerable service at defensive halfback as well as on offensive. Jimmy was a hard runner and should prove valuable next year.

IRWIN NUCKOLS—Sonny won the admiration and respect of his teammates by the courage he displayed throughout the season. Playing his last year, he was our only quarterback as well as a sure tackler on defense.

FREDDIE CHAPLIN—One of the younger boys on the team, Fred was a hard runner as well as a good passer. Though playing mostly defense this year, he has a good chance of being in the offensive backfield next season.

ROWLAND BYRD—Playing either guard or tackle, Rowland was a hard man to get past. He is a big boy and, with a little work, should take over a first-string position next year.

Football Individuals

BILLY PUFFENBARGER—Despite his lack of size, Billy made some especially jarring tackles last year at his halfback post. He should spill quite a few ball carriers when he returns next year.

FRANK HARRIS—Frank was a starting halfback this past season because of his shiftiness and his hard running. He was a good passer as well as a strong line backer.

ERIC KELLER—Eric came up to the varsity at the end of the season. He has done a good job at halfback on the J. V., and with some more experience should become a good ball carrier.

HAROLD WALKER—Though playing halfback on the J.V., most of the year, Harold was switched to center when he moved up to the varsity. He plays well at most any position and will probably be heard from the next three seasons.

DALE POWERS—Dale was the hardest runner on the team, as well as being a terrific line backer. Also a good passer and blocker, Dale was one of the best standouts during his last season.

SID GRINE—Sid was one of the most improved ball players on the team at the end of the year. He played a lot of tackle because of his size, ability and desire to play. Sid will be back next year.

GUY DAVIS—Guy was a very fast halfback as well as a good pass receiver. Because of his speed and shiftiness, Guy played a great deal on both offense and defense. He returns next year.

DICK HESS—Dick was a big, fast halfback, who was hard to stop in the open. He was also a bruising tackler on defense and a good blocker. Dick played his final year.

OREST PROCKIW—“Rocky” came up to the varsity at the end of the season to help with the quarterback chores, if needed. He had turned in a creditable performance with the J. V.’s during the early season. He will be back next year.

JIMMY WRIGHT—Jimmy played with the J. V.’s most of the year because of inexperience, but was moved up at the end of the season to add weight to the varsity line. Jimmy is a big boy and should prove valuable next year.

ED McGAVOCK—Ed saw considerable service as both offensive and defensive end. He was a good blocker and tackler and played his last year.

FREDDIE MILLER—Fred was one of the most experienced players on the team this year. He was a strong, aggressive guard and well earned his position as co-captain. This was Fred’s last year.

CHARLES DAHL—Charlie showed definite improvement during the first part of the season. A good rebounder and an excellent shot, he should have a fine season when he returns next year.

JERRY ARMENTROUT—A spirited competitor, Jerry played his final season for the Leemen. Shooting well with either hand, he was usually among the leading scorers.

BOBBY ARMENTROUT—Bobby was the “big man” on the team this year, hitting the 6'5” mark. Using his height to advantage, he was a high scorer and an excellent rebounder. He graduates this year.

AUGIE AREHART—A better-than-average ball player the first part of the season, Augie suddenly came into his own at the half-way mark to become one of the leading scorers on the team. A junior, he will return next year.

LLOYD THACKER—A stand-out at all phases of the game, Lloyd was at his best when it counted most. Lloyd was a consistant, hard-playing guard, and will return next year.

BOBBY BOWMAN—Bobby was known principally for his long, thrilling set shots, but he was also a good dribbler and passer. A scoring threat from almost anywhere on the court, he should stand out when he returns next year.

ED McGAVOCK—Though not a high scorer himself, Ed often set up shots for his teammates. A hustling ball player and a good rebounder, Ed does not return next year.

H. B. DICE—A senior this year, H. B. saw quite a bit of service because of his hard play and scoring ability. He showed steady improvement as the season progressed.

EDDIE HOUFF—A mid-season addition to the team, Eddie possessed scoring ability in a good one-hand shot. A hard loser and good play-maker, Eddie will play again next year.

GLENN HOULIHAN—A good floor man with scoring ability, Glenn distinguished himself by a determination to win which should prove valuable when he returns next year.

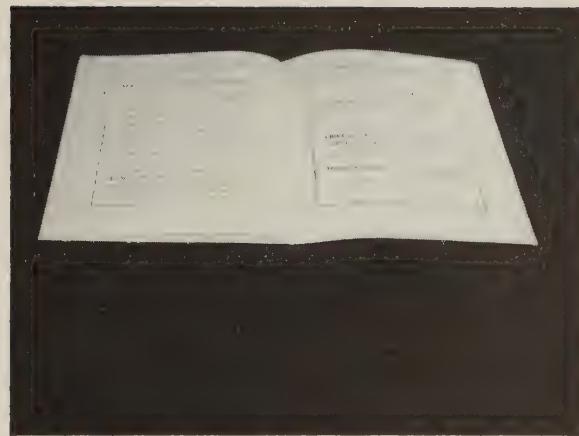

EVERETT FITZGERALD—Everett was a good shot as well as a good play-maker. He will be valuable to next year's team.

interesting work

...and you can get it!

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!
